The said 40 acre parcels may be further subdivided, subject to the restrictions contained herein regarding frontage, into quarters thereof constituting parcels of approximately 10 acres each. No parcel shall be further divided or subdivided. Nothing contained herein shall permit the owner of any parcel to divide or subdivide said parcel in violation of the laws, ordinances and regulations of Washington County and the State of Utah.

8. Completion of Construction Construction of any improvement, whether single family residence, garage or outbuilding, shall be pursued diligently to completion and any improvements not so completed within two years after the beginning of construction or upon which construction has ceased for a period of ninety consecutive days or which have been partially or totally destroyed and not rebuilt within a period of two years from such destruction shall be deemed a nuisance. 2. Membership As provided in its Corporate Articles, membership in the corporation is limited to the owners of parcels within the subdivision and is automatic with and

Liens The annual and special assessments referred to herein, together with interest, costs and reasonable attorney fees, if any, shall be a charge upon the land applicable thereto and shall be a continuing lien upon the property against which each such assessment is made. Any assessment not paid when due, plus any other charges thereon, including interest as provided therein from the date of delinquency, and the cost of collection and attorney fees, if any, shall constitute and become a lien on the parcel so assessed when the Board of Trustees causes to be recorded in the office of the Washington County Recorder, State of Utah, a notice of assessment signed by the Secretary of the corporation, which notice shall state the name of the corporation, the principal place of business of the corporation, the date of the assessment, the delinquency date, the amount of such assessment, the interest rate and other applicable charges and the legal description of the parcel which has been assessed. Such lien shall be prior to all other liens recorded subsequent to said notice of assessment except for any governmental liens for taxes or other governmental assessments having statutory priority.

Conveyance of any parcel shall not affect any lien for assessments provided herein and such liens shall attach to the parcel and run with the land to all subsequent transferees. The lien provided for herein may be foreclosed in behalf of the corporation in a like manner as any trust deed and in such event the corporation may be the bidder at the foreclosure sale. The corporation shall not be required to transfer membership on its books or to allow the exercise of any rights or privileges of membership on account thereof or to furnish municipal or utility services to any owner or any person claiming under them including subsequent assignees or transferees unless and until all such assessments and charges relating thereto have been paid.

By acceptance of such deed or execution of such contract, such grantee, transferee, or purchaser shall for himself, his heirs, successors and assigns in interest, covenant, consent and agree to with the undersigned and with owners of each and all other parcels in the subdivision and their subsequent grantees, transferees or purchasers, to keep, observe, comply with, perform and be subject to all of the provisions and terms of this declaration.

6. Severability Each and every provision of this declaration is and shall be independent of and severable from any other provision herein. If any provision shall be held by a court of competent jurisdiction to be invalid or unenforceable, all remaining provisions shall remain in full force and effect.

7. Waivers and Exemptions The subdivision control committee shall have the power to grant waivers and exemptions from any of the terms, covenants, conditions and restrictions contained herein based upon reasonable cause and without prejudice, when such waivers or exemptions are, in the opinion of the subdivision control committee, in the public interest or are not detrimental thereto. Such waivers and exemptions, if granted, may be revoked at any time thereafter in the event that the same result in any public nuisance or in the destruction of or pollution to the environment in the subdivision. Nothing contained herein shall permit the subdivision control committee to exempt any property owner from payment of each and every assessment due and payable as provided herein or resulting herefrom or to change the terms and conditions under which said sums are due and payable.

Exhibit "B" to Declaration of
Covenants, Conditions and Restrictions,
Affecting Lands Located in Washington
County, Utah

ARTICLES OF INCORPORATION
OF
SUNSHINE ACRES MUNICIPAL CORPORATION

WE, the undersigned natural persons of the age of twenty-one years or more,
acting as incorporators of a nonprofit corporation under the Utah Nonprofit
Corporation and Co-operative Association Act, adopt the following Articles of
Incorporation for such corporation:

ARTICLE I

The name of this corporation is Sunshine Acres Municipal Corporation.

ARTICLE II

The duration of this corporation is perpetual.

ARTICLE III

This corporation is organized exclusively as a nonprofit corporation quali-
fying as a home owners association which is an organization exempt from federal
income taxes pursuant to Section 528 of the Internal Revenue Code of 1954 as
amended to date. All of the purposes for which this corporation is formed relate
specifically and exclusively to certain lands located in Washington County, Utah,
more particularly described in Exhibit "A" hereto, the same being hereinafter
referred to as "Sunshine Acres Subdivision" or "the subdivision" (not a recorded
subdivision of Washington County, Utah). The corporation is a residential real
estate management association organized and operated to provide for the acqui-
sition, construction, management, maintenance and care of common property or
commonly used property within the subdivision and to provide for necessary or
desired municipal services therein. In connection with the above stated general
purposes, the following specific and additional purposes are hereby declared:

- (a) To acquire, own, hold and develop water and water rights.
- (b) To acquire, construct, equip, own, hold, operate, manage and maintain
wells, pumps, water storage tanks, pipe lines, water systems and
related items and in connection therewith to distribute, sell and
dispense water.
- (c) To develop, construct, maintain and improve roads, streets, rights-
of-way, easements, access ways, gates, curbs, gutters, sidewalks,
drainage ways, storm drains, ditches, culverts, channels, dikes,
flood control systems and similar facilities.

- (d) To acquire, own; hold, develop, administer, operate and maintain parks, playgrounds and recreational facilities.
- (e) To provide for municipal services desired by the residents of the subdivision, including, but not limited to; utility services, fire protection, garbage collection, street lighting and maintenance of common facilities, and to establish the rates, terms and conditions thereof.
- (f) To fix, levy, collect and enforce payment of, by any lawful means, charges and assessments upon all parcels in the subdivision and upon the owners thereof strictly for the purposes specified herein pursuant to the terms of a certain "Declaration of Covenants, Conditions and Restrictions" applicable to the said subdivision, recorded or to be recorded in Washington County, Utah, including all amendments thereto, as the same become effective hereafter.
- (g) To enforce covenants, conditions, restrictions, charges, easements and agreements existing upon or created for the benefit of the real property within the subdivision.
- (h) To have and to exercise any and all powers, rights and privileges which a corporation organized under the Utah Nonprofit Corporation and Co-operative Association Act of the State of Utah by law may now or hereafter have or exercise; provided, however, that the corporation shall not engage in any activity or exercise any power that is not in furtherance of the purposes stated herein, nor shall the corporation engage in any activity for profit which would jeopardize its nonprofit status.

ARTICLE IV

This corporation shall have members. Membership in the corporation is limited to the owners of parcels within the subdivision and is automatic with and appurtenant to such ownership. It shall not be separated from the ownership of any parcel nor shall any person who is a non-owner become a member. In the absence of other information to the contrary, the owner of public record of any parcel shall be deemed to be the owner thereof for membership purposes herein.

ARTICLE V

In accordance with the "Declaration of Covenants, Conditions and Restrictions" applicable to the subdivision and in furtherance of the purposes specified

herein, the Board of Trustees of the corporation is hereby expressly authorized and empowered to levy uniform annual and special assessments against all parcels in the subdivision and in accordance with said declaration each owner of any parcel in the subdivision, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the corporation such annual and special assessments. Special assessments also may be levied against a particular parcel in the subdivision when deemed equitable and appropriate by the Board of Trustees. The annual and special assessments referred to herein, together with interest, costs and reasonable attorney fees, if any, shall be a charge upon the land applicable thereto and shall be a continuing lien upon the property against which each such assessment is made. Any assessment not paid when due, plus any other charges thereon, including interest as provided therein from the date of delinquency, and the cost of collection and attorney fees, if any, shall constitute and become a lien on the parcel so assessed when the Board of Trustees causes to be recorded in the office of the Washington County Recorder, State of Utah, a notice of assessment signed by the Secretary of the corporation, which notice shall state the name of the corporation, the principal place of business of the corporation, the date of the assessment, the delinquency date, the amount of such assessment; the interest rate and other applicable charges and the legal description of the parcel which has been assessed. Such lien shall be prior to all other liens recorded subsequent to said notice of assessment except for any governmental liens for taxes or other governmental assessments having statutory priority.

Conveyance of any parcel shall not affect any lien for assessments provided herein and such liens shall attach to the parcel and run with the land to all subsequent transferees. The lien provided for herein may be foreclosed in behalf of the corporation in a like manner as any trust deed and in such event the corporation may be the bidder at the foreclosure sale. The corporation may also pursue any other remedy which is available at law or in equity against the owner for the collection of any monies due as a result of such assessment.

The corporation shall not be required to transfer membership on its books or to allow the exercise of any rights or privileges of membership on account thereof or to furnish municipal or utility services to any owner or any person claiming under them including subsequent assignees or transferees unless and until all such assessments and charges relating thereto have been paid.

All regular and special assessments shall be levied on a uniform per acre basis in such a manner that each acre is assessed the same amount as each other acre in the subdivision; provided, however, that the Board of Trustees may, when appropriate, levy special assessments against one or more specific parcels in connection with improvements made thereon or to be made thereon. Procedures in connection with the levying and collection of assessments shall be in accordance with applicable Utah law.

ARTICLE VI

The affairs of this corporation shall be managed by a governing board consisting of not less than three members. The members of the governing board shall be designated as "Trustees". Each Trustee shall be twenty-one years of age or more and shall be a property owner of one or more parcels in the subdivision; provided, however, that an officer, director or a duly appointed representative of any corporation which is a property owner within the subdivision shall also be qualified to serve as a Trustee. The number of Trustees constituting the initial governing board shall be three. The names and street address of the persons who are to serve as the initial Trustees of this corporation are:

E. J. Knudson, Jr.	2358 South 3600 West Salt Lake City, Utah 84119
Louis J. Barlow	2358 South 3600 West Salt Lake City, Utah 84119
Arthur R. Blackmore	2358 South 3600 West Salt Lake City, Utah 84119

The Trustees of this corporation shall serve for periods of two years and until their successors are elected and qualified by a majority vote of the members hereof. The Trustees shall have all powers granted by law to conduct the affairs of the corporation and shall serve without salary or other compensation. They may designate from among their number a President, a Vice-President and a Secretary-Treasurer and shall prescribe the duties of each.

ARTICLE VII

The name and street address of each incorporator is as follows:

ARTICLE VIII

The initial principal office of this corporation shall be located at 2358 South 3600 West, Salt Lake City, Utah 84119. E. J. Knudson, Jr. is the registered agent thereat.

ARTICLE IX

At all meetings of the members of this corporation, the number of members entitled to vote which are properly represented thereat, either in person or by proxy, regardless of how small the number may be, shall constitute a quorum, except as otherwise provided by law and an affirmative majority vote cast by said members shall be necessary for the transaction of all business thereat, except as otherwise provided herein or by law. On all voting each member shall be entitled to one vote for each acre or fractional acre of land owned in the subdivision.

ARTICLE X

In the event of dissolution or winding up of this corporation, after all debts and obligations have been paid, any funds remaining shall be distributed to the members, each member receiving a prorata portion thereof based upon the number of acres owned in the subdivision. In the event there are any unpaid assessments or other charges, fees or obligations owed to the corporation by any members, such items shall be deducted from the funds which would normally be paid to such members and redistributed proportionally to all members as provided herein upon such final distribution.

DEED OF TRUST
WITH ASSIGNMENT OF RENTS

This Deed of Trust, made this 27th day of September, 2004, between ASPEN MANAGEMENT INVESTMENTS, LLC, a Utah Limited Liability Company, as TRUSTOR, whose address is P.O. Box 840562, Hildale, Utah 84784 (Street and number) (City) (State) SOUTHERN UTAH TITLE COMPANY, a Utah corporation, as TRUSTEE, and UNITED EFFORT PLAN TRUST, a Utah Charitable Trust, as BENEFICIARY,

Witnesses: That Trustor CONVEYS AND WARRANTS TO TRUSTEE IN TRUST, WITH POWER OF SALE, the following described property, situated in Washington County, State of Utah:

See attached Schedule "A" for complete legal description.

Together with all buildings, fixtures and improvements thereon and all water rights, rights of way, easements, rents, issues, profits, income, tenements, hereditaments, privileges and appurtenances thereunto belonging, now or hereafter used or enjoyed with said property, or any part thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues, and profits.

For the Purpose of Securing:

(1) payment of the indebtedness evidenced by a promissory note of even date hereof in the principal sum of \$ 4,000,000.00 made by Trustor, payable to the order of Beneficiary at the times, in the manner and with interest as therein set forth, and any extensions and/or renewals or modifications thereof; (2) the performance of each agreement of Trustor herein contained; (3) the payment of such additional loans or ad-

vances as hereafter may be made to Trustor, or his successors or assigns, when evidenced by a promissory note or notes reciting that they are secured by this Deed of Trust; and (4) the payment of all sums expended or advanced by Beneficiary under or pursuant to the terms hereof, together with interest thereon as herein provided.

To Protect The Security of This Deed of Trust, Trustor Agrees:

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to comply with all laws, covenants and restrictions affecting said property; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general; and, if the loan secured hereby or any part thereof is being obtained for the purpose of financing construction of improvements on said property Trustor further agrees:

(a) To commence construction promptly and to pursue same with reasonable diligence to completion in accordance with plans and specifications satisfactory to Beneficiary, and

(b) To allow Beneficiary to inspect said property at all times during construction.

Trustee, upon presentation to it of an affidavit signed by Beneficiary, setting forth facts showing a default by Trustor under this numbered paragraph, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

2. To provide and maintain insurance, of such type or types and amounts as Beneficiary may require, on the improvements now existing or hereafter erected or placed on said property. Such insurance shall be carried in companies approved by Beneficiary with loss payable clauses in favor of and in form acceptable to Beneficiary. In the event of loss, Trustor shall give immediate notice to Beneficiary, who may make proof of loss, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Beneficiary, instead of to Trustor and Beneficiary jointly, and the insurance proceeds, or any part thereof, may be applied by Beneficiary, at its option, to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In the event that the Trustor shall fail to provide satisfactory hazard insurance, the Beneficiary may procure, on the Trustor's behalf, insurance in favor of the Beneficiary alone. If insurance cannot be secured by the Trustor to provide the required coverage, this will constitute an act of default under the terms of this Deed of Trust.

3. To deliver to, pay for and maintain with Beneficiary until the indebtedness secured hereby is paid in full, such evidence of title as Beneficiary may require, including abstracts of title or policies of title insurance and any extensions or renewals thereof or supplements thereto.

4. To appear in and defend any action or proceeding purporting to affect the security hereof, the title to said property, or the rights or powers of Beneficiary or Trustee; and should Beneficiary or Trustee elect to appear in or defend any such action or proceeding, to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum incurred by Beneficiary or Trustee.

5. To pay at least 10 days before delinquency all taxes and assessments affecting said property, including all assessments upon water company stock and all rents, assessments and charges for water, appurtenant to or used in connection with said property; to pay, when due, all encumbrances, charges, and liens with interest, on said property or any part thereof, which at any time appear to be prior or superior hereto; to pay all costs, fees, and expenses of this Trust.

6. To pay to Beneficiary monthly, in advance, an amount, as estimated by Beneficiary in its discretion, sufficient to pay all taxes and assessments affecting said property, and all premiums on insurance therefor, as and when the same shall become due.

7. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may: Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such powers, incur any liability, expend whatever amounts in its absolute discretion it may deem necessary therefor, including cost of evidence of title, employ counsel, and pay his reasonable fees.

8. To pay immediately and without demand all sums expended hereunder by Beneficiary or Trustee, with interest from date of expenditure at the rate of $\frac{N}{A}$ per annum until paid, and the repayment thereof shall be secured hereby.

9. To pay to Beneficiary a "late charge" of not to exceed five cents (5¢) for each One Dollar (\$1.00) of each payment due hereunder or due pursuant to the aforesaid promissory note of even date hereof which is more than fifteen (15) days in arrears. This payment shall be made to cover the extra expense involved in handling delinquent payments.

IT IS MUTUALLY AGREED THAT:

10. Should said property or any part thereof be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire, or earthquake, or in any other manner, Beneficiary shall be entitled to all compensation, awards, and other payments or relief therefor, and shall be entitled at its option to commence, appear in and prosecute in its own name, any action or proceedings, or to make any compromise or settlement, in connection with such taking or damage. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies of fire and other insurance affecting said property, are hereby assigned to Beneficiary, who may, after deducting therefrom all its expenses, including attorney's fees, apply the same on any indebtedness secured hereby. Trustor agrees to execute such further assignments of any compensation, award, damages, and rights of action and proceeds as Beneficiary or Trustee may require.

11. At any time and from time to time upon written request of Beneficiary, payment of its fees and presentation of this Deed of Trust and the note for endorsement (in case of full reconveyance, for cancellation and retention) without affecting the liability of any person for the payment of the indebtedness secured hereby, and without releasing the interest of any party joining in this Deed of Trust, Trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this Deed of Trust or the lien or charge thereof; (d) grant any extension or modification of the terms of this loan; (e) reconvey, without warranty, all or any part of said property. The grantee in any reconveyance may be described as "the person or persons entitled thereto", and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustor agrees to pay reasonable trustee's fees for any of the services mentioned in this paragraph.

12. As additional security, Trustor hereby assigns to Beneficiary, during the continuance of these trusts, all rents, issues, royalties, and profits of the property affected by this Deed of Trust and of any personal property located thereon. Until Trustor shall default in the payment of any indebtedness secured hereby or in the performance of any agreement hereunder, Trustor shall have the right to collect all such rents, issues, royalties, and profits earned prior to default as they become due and payable. If Trustor shall default as aforesaid, Trustor's right to collect any of such moneys shall cease and Beneficiary shall have the right, with or without taking possession of the property affected hereby, to collect all rents, royalties, issues, and profits. Failure or discontinuance of Beneficiary at any time or from time to time to collect any such moneys shall not in any manner affect the subsequent enforcement by Beneficiary of the right, power, and authority to collect the same. Nothing contained herein, nor the exercise of the right by Beneficiary to collect, shall be, or be construed to be, an affirmation by Beneficiary of any tenancy, lease or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Deed of Trust to any such tenancy, lease or option.

13. Upon any default by Trustor hereunder, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court (Trustor hereby consenting to the appointment of Beneficiary as such receiver), and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof, in its own name sue for or otherwise collect said rents, issues, and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine.

14. The entering upon and taking possession of said property, the collection of such rents, issues, and profits, or the proceeds of fire and other insurance policies, or compensation or awards for any taking or damage of said property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

15. The failure on the part of Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent default.

16. Time is of the essence hereof. Upon default by Trustor in the payment of any indebtedness secured hereby or in the performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of Beneficiary. In the event of such default, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause said property to be sold to satisfy the obligations hereof, and Trustee shall file such notice for record in each county wherein said property or some part or parcel thereof is situated. Beneficiary also shall deposit with Trustee, the note and all documents evidencing expenditures secured hereby.

17. After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property on the date and at the time and place designated in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause he deems expedient, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; provided, if the sale is postponed for longer than one day beyond the day designated in the notice of sale, notice thereof shall be given in the same manner as the original notice of sale. Trustee shall execute and deliver to the purchaser its Deed conveying said property so sold, but without any covenant of warranty, express or implied. The recitals in the Deed and any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of (1) the costs and expenses of exercising the power of sale and of the sale, including the payment of the Trustee's and attorney's fees; (2) cost of any evidence of title procured in connection with such sale and revenue stamps on Trustee's Deed; (3) all sums expended under the terms hereof, not then repaid, with accrued interest at per annum from date of expenditure; (4) all other sums then secured hereby; and (5) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in its discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.

18. Trustor agrees to surrender possession of the hereinabove described Trust property to the Purchaser at the aforesaid sale, immediately after such sale, in the event such possession has not previously been surrendered by Trustor.

19. Upon the occurrence of any default hereunder, Beneficiary shall have the option to declare all sums secured hereby immediately due and payable and foreclose this Deed of Trust in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceedings all costs and expenses incident thereto, including a reasonable attorney's fee in such amount as shall be fixed by the court.

20. Beneficiary may appoint a successor trustee at any time by filing for record in the office of the County Recorder of each county in which said property or some part thereof is situated, a substitution of trustee. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties, authority and title of the trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.

21. This Deed of Trust shall apply to, inure to the benefit of, and bind all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. All obligations of Trustor hereunder are joint and several. The term "Beneficiary" shall mean the owner and holder, including any pledgee, of the note secured hereby. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

22. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

23. This Deed of Trust shall be construed according to the laws of the State of Utah.

24. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to him at the address hereinbefore set forth.

Notice of Interest

Pertaining to the following described tract of land in Washington County, State of Utah:
The Northwest quarter of the Northeast quarter (NW ¼ NE ¼) of Section 31, Township 43 South, Range 11 West, Salt Lake Base and Meridian. (1388-G-SE)

We have an interest in this property. We turned it into the UEP in October 1993 because we were told that they wanted to put the sewer lagoons there. They changed their minds and placed it in another spot. We were never given any compensation for this property nor was it returned when they decided not to use it. When the State of Utah took over the UEP, we thought that they would make it right, but they didn't.
