

BREAK-OUT

All Purpose Alkaline Reclaim Additive

Break-Out is a highly effective alkaline builder for extreme soil conditions, formulated as a heavy duty builder that is used in addition to other Sunburst detergent products.

Heavy Duty Buffered caustic laundry additive to break soils free from fabrics

Dramatically enhances removal of greasy soils and food stains

Suspends large quantities of soil in wash water to prevent re-deposition and dingy linens

Very economical detergent builder

Excellent in all water conditions
